

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF DELAWARE

IN THE MATTER OF THE APPLICATION)
OF NAVIGATE POWER, LLC FOR A)
CERTIFICATE TO PROVIDE ELECTRIC)
SUPPLY SERVICES WITHIN THE STATE) PSC DOCKET NO. 15-0659
OF DELAWARE)
(SUBMITTED JANUARY 20, 2015; FILED)
MARCH 23, 2015))

ORDER NO. 8742

ELECTRIC SUPPLIER CERTIFICATE

This 19th day of May, 2015, the Public Service Commission (the "Commission") determines and orders the following:

WHEREAS, on March 23, 2015, Navigate Power, LLC ("Navigate Power" or the "Company") filed an application (the "Application") pursuant 26 Del. C. §1001 - §1020, the Electric Utility Restructuring Act (the "Act"), and 26 Del. Admin. C. §3001, the Commission's Rules for Certification and Regulation of Electric Suppliers (the "Supplier Rules"),¹ seeking certification as a retail electric supplier in order to broker the sale or purchase of Electric Supply Service; and

WHEREAS, in the Application, the Company states it is seeking certification as a Broker² that will utilize appropriate energy procurement strategies to meet the needs of small commercial, large commercial, and industrial customers in Delaware; and

¹ Unless otherwise noted, capitalized terms shall have the meanings ascribed to them in the Act and the Supplier Rules.

² Pursuant to §1001(3) of the Act, "Broker" is defined as a person or entity that acts as an agent or intermediary in the sale or purchase of, but that does not take title to, electricity for sale to retail electric customers." Although a Broker never takes "title" to any electric supply product, §1001(14) (c) of the Act deems a broker an "Electric Supplier."

WHEREAS, as more specifically detailed in its Memorandum to the Commission, the Commission Staff ("Staff") reports that the Application fulfills all of the requirements set forth in the Act and the Supplier Rules for an Electric Supplier Certificate to act as a Broker and that the Company has specifically presented substantial evidence supporting its financial, operational, managerial, and technical ability to operate as a Broker of Electric Supply Service within the State of Delaware. Therefore, Staff recommends that the Commission issue an Electric Supplier Certificate authorizing the Company to broker sales and customer purchases of Electric Supply Services in the State of Delaware;

**NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE VOTE OF
NOT FEWER THAN THREE COMMISSIONERS:**

1. Navigate Power is hereby granted a certificate to do business and operate as an "Electric Supplier" (Broker) within the State of Delaware. Under this Electric Supplier Certificate, the Company is authorized to broker Electric Supply Service within the State of Delaware consistent with and in accordance with the Act and the Supplier Rules.

2. Navigate Power is hereby notified that a violation of any applicable order, statute, regulation, rule, or other controlling authority may be enforced by sanctions permitted by §§1012(a) and 1019 of the Act and §3001-10.2 of the Supplier Rules.

3. Navigate Power shall file such reports and pay such fees and assessments as may be required or imposed by §§114, 115 and 1012(c) (2) of the Act and §§3001-3.9 and 3.10 of the Supplier Rules.

4. Navigate Power consents to the jurisdiction of the courts of the State of Delaware for all acts or omissions related to its offering of Electric Supply Services in this State.

5. Navigate Power is hereby placed on notice that the costs of this proceeding will be charged to it pursuant to §114(b)(1) of the Act.

6. The Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
